

# Comms Unplugged Virtual Sing-Along, Sunday 12 July 2020

## Lockdown Monday

Six o'clock already I was just in the  
middle of a dream  
I was hugging Darren Caveney in the  
field at Comms Unplugged 17  
Now I'm never late for work cos I  
only have to go downstairs  
Got a video call today so I'd better go  
and brush my hair

It's just another lockdown Monday  
Same as Sunday  
There's not fun day  
I just want to run away  
Just another lockdown Monday

So the time passes slowly every day  
feels exactly the same  
Been so long since I saw people that  
I can't remember anybody's name  
Going cross-eyed from the screen  
time and the working day goes by in  
a daze  
I've started talking to myself but I  
really hope it's only a phase

It's just another lockdown Monday  
Same as Sunday  
There's not fun day  
I just want to run away  
Just another lockdown Monday

All of my life I could go out when I  
like and do just as I please  
Now I'm stuck at home drinking too  
much wine and eating way too much  
cheese

Then Tom says in his music man  
voice: "Hey guys - let's go make  
some noise!"  
Time it goes so slow....

It's just another lockdown Monday  
Same as Sunday  
There's not fun day  
I just want to run away  
Just another lockdown Monday  
Same as Sunday  
There's not fun day  
I just want to run away  
Just another lockdown Monday

## Half the World Away - Oasis

I would like to leave this city  
This old town don't smell too pretty  
And I can feel the warning signs  
Running around my mind

And when I leave this island  
I'll book myself into a soul asylum  
'Cause I can feel the warning signs  
Running around my mind

So here I go  
Still scratching around in the same  
old hole  
My body feels young but my mind is  
very old

So what do you say?  
You can't give me the dreams that  
are mine anyway  
You're half the world away  
Half the world away  
Half the world away  
I've been lost, I've been found  
But I don't feel down

And when I leave this planet,  
You know I'd stay but I just can't  
stand it  
And I can feel the warning signs  
Running around my mind

And if I could leave this spirit,  
I'll find me a hole and I'll live in it  
And I can feel the warning signs  
Running around my mind

Here I go,  
I'm still scratching around in the  
same old hole  
My body feels young but my mind is  
very old

So what do you say?  
You can't give me the dreams that  
are mine anyway  
You're half the world away  
Half the world away  
Half the world away  
I've been lost, I've been found  
But I don't feel down  
No, I don't feel down  
No, I don't feel down

I don't feel down  
I don't feel down  
I don't feel down  
I don't feel down

## We Are Unplugged

There's a long road ahead of us,  
As we plough through it all from home.  
You might feel too shy to make a fuss,  
But you don't have to go it alone.

Because we're here for one another;  
Like sister and brother.  
Let's take time out for a virtual hug,  
Get some breathing space as we unplug.

Show each other some love,  
Cos we are unplugged.  
Amongst friends we share our feelings,  
Together we'll start the healing.  
Show each other some love,  
Cos we are unplugged.  
Nothing's impossible - we can make it,  
Yes, together we can face it.

We've never been more connected,  
Yet felt so far apart.  
Just remember that you're respected,  
For your head and your heart.

Because we're here for one another;  
As sisters and brothers.  
Let's take time out for a virtual hug,  
Get some breathing space as we unplug.

Show each other some love,  
Cos we are unplugged.  
Amongst friends we share our feelings,  
Together we'll start the healing.  
Show each other some love,  
Cos we are unplugged.  
Nothing's impossible - we can make it,  
Yes, together we can face it.

Have a virtual cuppa with your team;  
Sharing your way of coping.

Take a wander to let your mind  
daydream,  
We've just gotta keep on hoping.

Cos we're here for one another;  
Like sisters and brothers.

Let's take time out for a virtual hug,  
Get some breathing space as we unplug.

Show each other some love,  
Cos we are unplugged.  
Amongst friends we share our feelings,  
Together we'll start the healing.  
Show each other some love,  
Cos we are unplugged.  
Nothing's impossible - we can make it,  
Yes together we can face it.

Show each other some love,  
Cos we are unplugged.  
Nothing's impossible - we can make it,  
Yes together we can face it.  
Show each other some love,  
Cos we are unplugged.  
Amongst friends we share our feelings,  
Together we'll start the healing.

And show each other some love.

## SHINE - Take That

You, you're such a big star to me  
You're everything I wanna be  
But you're stuck in a hole and I want  
you to get out  
I don't know what there is to see  
But I know it's time for you to leave  
We're all just pushing along  
Trying to figure it out, out, out.

All your anticipation pulls you down  
When you can have it all, you can  
have it all.

So, come on, so, come on, get it on  
I don't know what you're waiting for  
Your time is coming don't be late,  
hey hey  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine.

Stop being so hard on yourself  
It's not good for your health  
I know that you can change  
So clear your head and come 'round  
You only have to open your eyes  
You might just get a big surprise  
And it may feel good  
And you might want to smile, smile,  
smile.

Don't you let your demons pull you  
down  
'Cause you can have it all, you can  
have it all.

So, come on, oh, come on, get it on  
Don't know what you're waiting for  
Your time is coming don't be late,  
hey hey  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine.

Hey let me know you  
You're all that matters to me  
Hey let me show you  
You're all that matters to me.

So, come on, get it on  
Don't know what you're waiting for  
Your time is coming don't be late,  
hey hey  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine.

Hey! Let me know you  
You're all that matters to me  
Hey! Let me show you  
You're all that matters to me

Hey! Let me love you  
You're all that matters to me  
(Oh come on)  
Hey! So come on yeah  
(See the light on your face)  
(Let it shine, just let it shine)  
Shine all your light over me  
(Shine!)

## Sweet Caroline - Neil Diamond

Where it began  
I can't begin to knowin'  
But then I know it's growin' strong

Was in the spring  
And spring became the summer  
Who'd have believed you'd come  
along

Hands, touchin' hands  
Reachin' out, touchin' me, touchin'  
you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
But now I...

...look at the night  
And it don't seem so lonely  
We fill it up with only two

And when I hurt  
Hurtin' runs off my shoulders  
How can I hurt when holdin' you?

Warm, touchin' warm  
Reachin' out, touchin' me, touchin'  
you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
Oh, no, no

Sweet Caroline  
Good times never seemed so good  
Sweet Caroline  
I believed they never could

Sweet Caroline  
Good times never seemed so good

## One Night in September

Great place to stay  
Never want to leave  
Problems gone away  
Almost instantly

Cos nothing's gonna change  
One night in September  
Nothing's been the same  
Since one night in September  
And the world  
carries on  
Take me back there  
Our summer songs

Something in the air  
Makes you forget  
All your cares  
Soon you'll know  
You'll be sad when it's time to go

Cos nothing's gonna change  
One night in September  
Nothing's been the same  
Since one night in September  
And the world  
carries on  
Take me back there  
Our summer songs

Instrumental
